13 YEARS OF CELEBRATING THE PEOPLE WHO MAKE A DIFFERENCE

BECOME A 2026 SPONSOR

A LETTER FROM THE FOUNDER

Dear Friend, Community Leader, Business Owner and Partner,

For 13 years, Rebirth Magazine has had the privilege of telling stories, creating connections and celebrating the people who make our communities stronger.

The Rebirth Magazine Legend Awards were born from a simple belief: **people who dedicate their lives to serving, building, creating and inspiring others deserve to be recognized.**

Too often, we celebrate people after their work is finished. The Legend Awards allow us to celebrate individuals while their stories, accomplishments and contributions can still inspire the generations coming behind them.

On **Saturday, October 31, 2026**, Rebirth Magazine will host the **13th Annual Legend Awards Luncheon**, bringing together community leaders, entrepreneurs, professionals, organizations, families and supporters for an afternoon dedicated to celebrating legacy.

This year's theme, "**Honoring Legacy. Inspiring Generations,**" represents exactly what we hope to accomplish.

We want today's leaders to know that their work matters. We want young people to see examples of excellence within their own communities. We want families to understand the importance of preserving stories. And we want businesses and organizations to have an opportunity to stand alongside the people who are helping shape our communities.

That is why I am inviting you to become a **2026 Legend Awards Sponsor**.

Your sponsorship is more than a financial contribution. It is a statement that you believe in recognizing excellence, supporting community leadership and investing in the stories and people who help create a stronger future.

There are several sponsorship levels available, and we are also happy to work with organizations that would like to create a customized partnership or provide in-kind support.

We would be honored to have you join us.

Together, we can continue a 13-year tradition of celebrating legends, preserving legacies and inspiring generations.

With gratitude,

Simone O. Higginbotham
